

RSARS RALLY REPORTS No.100

Callington Radio Club Rally Report 29 March 2015

The Callington Radio Rally was held on Sunday March 29th in the Town Hall, Callington. There were 6 officials, 15 Traders and Exhibitors, and 78 people came through the door.

It is a pleasant homely little Rally, but that is counterbalanced by relatively few attendees, who have very little money to spend, apart from a few speculators that I know.

I didn't see any of my local Members, and no one was doing much buying, so I had rather a dry time. Saying that, many people recognised me and I encouraged people to think of joining. The problem is, they seem to think that I am the local Recruiting Sergeant, even though I remind them that we have pulled out of Afghanistan. Still, I can only hope for better things in the future.
