### SOUTHERN AREA RALLIES REPRESENTATION

Harwell Rally in Didcot really was, as usual, a good show, even more traders seemed to be there than usual with 6 halls in use - just about the whole place. The cafe arrangements were really excellent, home cooking by the look and taste of it - great sandwiches and cake - Oh! It was the Radio Rally we went for, wasn't it?

Lots on sale much to do and talk about with a better member sign up than last week! The RSGB had all their books, The Harwell Club had some junk to dispose of and I [purchased a not quite new Epson 1640SU Photo scanner in the hope that it will be better than the Maplins thing I have already. (Anybody have a document feeder they don't want??)

Mario – Keeping the customers happy.

Green stuff seems to be scarce on the surplus market but there were some superb new naval antenna masts and a green box of tricks that must have cost us all far more than I care to think about!

No the snow never got us - it was wet, cold, and windy though (outside that is)

So we missed YOU again?

Better luck next time, there are just a few Polo shirts, caps and mugs left!

See you all there next Year!
