

RSARS RALLY REPORTS No. 74

Dartmoor Radio Club Rally – 6th May Tavistock

The Dartmoor Radio Club held its Rally on 6th May in the Tavistock Community College Main Hall and its environs, in its usual very friendly atmosphere.

15 Traders came, 3 more than last year, with 14 Clubs and Groups including the RSGB and 2 new groups, Worked-All-Britain and the Radio Amateurs Old-Timers Association, RAOTA.

They had 210 customers through the door, fewer than last year, but they did have a couple who travelled 200 miles from the Isle of Wight. T

Their own staff consisted of 15 Club Members, Members of 2312 Sqn. ATC, and a First Aid team from St John's Ambulance Brigade.

I had another dry day as regards selling, but I did recruit a new Member, Christopher Gaukroger. Hopefully he has now sent off his Membership application form.
