

RSARS RALLY REPORTS No. 82

The Plymouth Radio Rally – 25th November 2013

Plymouth Radio Rally took place on Sunday, 24th November, at Harewood House, Plympton, just outside Plymouth.

It was attended by 162 people, and there were 8 Traders occupying 39 tables in the Main Hall.

In addition there were 6 Repeater and Charity Groups with 3 people selling off equipment in a side room. Unfortunately the side room is small and cramped, but we are all offered free table space with one table provided.

I sold a Shield, an antenna book and a windscreen sticker.

Selling by the Traders was a little slow but steady, but we were a little short of visitors in the side room. Unfortunately, to be in the Main Hall, we have to pay for the table, but this will be discussed with my Management Team before their next Rally.
