Yeovil QRP Rally Report 27 April 2014

I attended the Yeovil QRP Rally on 27th April, held at the Community Hall, in Sherborne, about 5 miles further on in the village of Sherborne.

It was a nice little grouping, with a very friendly atmosphere, but the numbers of Traders and Visitors through the door looked to be between 10 and 20% down on last year.

I met up with an Irishman, ex-Royal Signals, Member of RSARS, who couldn't wait to buy a much-needed new hat from me. We had a great chat, and he asked me to look out a 52 set for him, at a reasonable price, he being a little impecunious. So if anyone can help, please contact me, as I would like to do my best for him. I must admit, I was mad on the idea of getting one many years ago, until I caught the Russian Bug. Each to his own!

Apart from the Hat, I sold a log-book deluxe and half a dozen antenna books. I have to say I like the atmosphere very much at Yeovil, and their theme of having a small lecture every year appeals to me, though I can't attend, and I think that it does draw a few more people. I attach a photo of my good-looking self to add a personal touch to the event.
