

RSARS RALLY REPORTS No.94

Plymouth Radio Rally Report 23 November 2014

Plymouth Radio Rally was held at Plympton, Sunday 23 Nov 2014. There were 9 traders and 40 tables, many of the tables being taken up by a local manufacturer and trader of wire and vertical antennas.

There were 4 Repeater Groups and 147 people through the door. There were also 6 people from the Plymouth Radio Club officiating, many of them organising the parking, which is difficult due to the layout of the premises.

Some of the Traders managed to do some business, but it was a little quiet, and I didn't get any results. I did notice that the customers didn't stay long, which made me think that perhaps the date was rather close to Christmas. The problem is, we can all come up with theories about lack of spending, but people will choose what they want to spend their money on and that is that, unfortunately.

My taking of a table in the main hall @ £5 didn't seem to give me any advantage at all.
