

## RSARS RALLY REPORTS No.89

### Huntingdonshire ARS Rally 25<sup>th</sup> August 2014 St Neots, Cambs.

#### Rally Review:

Despite the heavy rainfall, the Rally was a success as we held the Rally at a local school, so we were able to accommodate 97% of all the traders and stalls within the school hall and classrooms.

Our RSARS stand was next to the RNARS and we did have some collaboration between the Army and Navy... although this is a very heavy RAFARS area, they did not have a stand but it was very good to fly the flag for RSARS. The Stores Manager was even able to sell some RSARS items....

Royal Signals visitors to the stand were G4KLE (Merv) #315, M0OLG (Malcolm) #4219, G1KWF (Steve) #2750, G4ETG (Dave) #963, G3LMX (Tom) #25 and G3LWG (Colin) #NA (Ex REME & working on him).
