

RSARS RALLY REPORTS No.102

Dartmoor Radio Club Rally Report 4 May 2015

The Dartmoor Radio Club held their annual Radio Rally in the Tavistock Community College Main Hall last Monday Bank Holiday, 4th May.

180 attended the Rally, with 40 Traders, 14 Societies and Repeater Groups. It was interesting to note that not many people were buying very much in the Main Hall, where I was, and also in the Lower Hall, but outside, which was like a car-boot sale, there were plenty of people looking.

As can be seen from some of the photos, I displayed a 1940 vintage no 8 Set, forerunner of the WS18 set, in keeping with the 70th Anniversary of VE Day, and also a "not so modern" PRC320. Oddly enough the PRC 320 attracted more attention than the no 8 Set, why, I just do not know, but there we are. There were a few enthusiasts though who had a good look at the no 8.

I did have news by e-mail as well to hear that David Swan, whom I recruited at the Yeovil QRP Rally, had successfully joined us. I look forward to seeing him again. As always this Rally had plenty to offer all comers, if only they would dip their hands in their wallets.
