Bureau Activity

Well having sent out a few cards, I have received a few in return. The few that I have I will bring with me, in my inner pocket, to the National Hamfest/AGM. Yes, not a lot.

G3SIG Award

Many thanks to Harry GI4JTF for allowing Chris G2ABR a two-month holiday. I have the GI3SIG log for July and must thank Harry for his hard work. A few new ones were added to the Award index cards. Enjoy your rest Harry and we look forward to hearing an invigorated G3SIG during nets.

September	G3SIG	G2ABR
October	G3SIG	G2ABR
November	G3SIG	G2ABR
December	G3SIG	G2ABR

AGM

Final reminder. We have our AGM at the National Hamfest 28 September, full details on this website, and we look forward to seeing many members again. Used with success last year, I am very happy to offer a free taxi service from the RSARS stand to the AGM, and of course back, for those who struggle to walk the distance. If you don't ask you won't get, and I am happy to make more than one trip if asked early enough. However, I will be sat down at 1100hrs prompt.

Future member travels

We will have a member travelling as EA6/ later this month - with portable kit. Further detail when notified so keep an eye on email inboxes.

Nets

Just yet another reminder to members, old and new, we do have nets running most mornings, (less Saturday) Tuesday and Thursday afternoons, and Monday, Tuesday and Thursday evenings. For those interested in all things PSK31 and RTTY, although nets are gone, we still have a few dedicated members showing each Monday and Friday. CW of course Wednesday. Times and frequencies are shown on our RSARS website – Shack Aid.

RSARS eMail Group.

If we ever needed a reason for signing up (free) to our Group, it is for the Friday Propagation Update eMail as received from Barry G3YEU. The one received August 31st was most interesting. As always Barry, many thanks.

73, Bryan
