

RSARS QSL BUREAU – Newsletter 141 (Bryan’s Bureau Blog)

Future and Current Events: (Full details on our website)

Special Event and DX Stations. (All with Affiliated Numbers)

G3ASG N2DAN Key winner from 20 June 2018.

G3ASG

Bureau Users

New members joining the bureau since 01 November 2018

NIL

Bureau Activity

Cards received - Nil

The bureau users’ lists will be uploaded showing the state of play, or not, as at 01 December 2018. Again, there are no additions, just to keep date current.

G3SIG Award

Chris G2ABR continues to activate G3SIG F099 and will welcome any calls from members, new and old, requiring this call. Sadly, he cannot travel GD, GJ, GM, GU, GW but hopefully one of these weeks/months the rare ones will be activated. GI3SIG is heard regularly with Harry active SSB, PSK31 and RTTY if needed, also David GI3KVD on CW so thanks to Chris, Harry and David we do our best.

It is confirmed that during the period September and October 2018 Chris G2ABR with G3SIG made me make out 8 new index cards. Well done Chris for I have plenty of blank cards available.

December GI3SIG GI3KVD CW from 01 to 14 December 2018

“Sked requests are welcome”.

December G3SIG G2ABR SSB from 15 to 31 December 2018

Nets

The event of the year will soon be upon us. Yes, the Pop-In-Pop-Out net commences 1200hrs 31 December and with many (we hope) volunteer net controllers we will keep it going until Alan G4BXQ closes it down at midnight.

I look forward to producing the annual PIPO report and seeing Ken G3WYN in top spot for working all net controllers. Ken was the only member to achieve this last year. Good luck for this one Ken.

Just to get Sam, and others going I would like to mention that OH9Santa (as OH9S) will be in operation using FT8. I have worked OH9SCL (Santa Claus Lapland) on many occasions, have cards and certificate but the top three in the OH9S log this year will each receive an OH9S T-Shirt. If members ever needed an incentive to get into FT8 this is it :-). Only if you believe in Santa Clause of course?

ARRL reports the annual Santa's Radio Club Special Event from 200 km above the Arctic Circle will be on the air December 1-8 as OH9S - OH9Santa

Yes, I will be hunting from December 1st :-). Not RSARS affiliated but worth a T-Shirt.

My final newsletter for 2018 so may I wish you and your family a very happy Christmas and a very healthy 2019.

Mentioning 2019 reminds me that we are getting closer to 2020 and the Royal Signals Centenary. Any ideas or suggestions for including in 2020 celebrations will be appreciated by John G4LRG, the 2020 RSARS coordinator.

73, Bryan
