The bureau users lists will be uploaded showing the state of play, or not, as at 01 February 2019. Again, there are no additions, just to keep date current.

This is my shortest newsletter (non-newsletter) in 143 publications. It is difficult to have a newsletter without having any news.

Any members wishing to add to this, it will be my pleasure to publish. But please, first priority for any items must be our Mercury journal. Joe GW0WEE is struggling to fill some space so please get writing.
